Celebration of Success

The Honours Assembly, traditionally held in the Learning Resources Centre, brought approximately 100 award recipients, their parents, and staff members to the evening 'gala' event, **Celebration of Success**.

Among the award winners was Rosemarie Comeau, commended for her effort to save a dying man's life in early February. Recipients of Awards of Excellence in Math, Science, Indo-Pakistani Community, Media, and the Arts, were also commended for their achievements while over 100 students received a commemorative Westview Honour Roll 1994 pin in recognition of their academic success. The "Together We Are One" Award, the newest of the lot, was created for the student who exemplified the ultimate goal of the Westview Family of

Schools- to bring all people together in harmony and unity. Congratulations goes out to all award winners for their present success and best wishes for the future. Lest we forget, the night's highlights included the mesmerising dance performance by the Indo-Pakistani Dancers and the delightful sounds of the String Ensemble. A special thanks to the performers, the staff and stage crew for a memorable celebration of success.

"Photos from Firgrove Public School, 2012 I think.

A little art goes a long way.

After painting the benches yellow, the Principal asked us to do the school name and logo outside Gym 1 (remember 'Gym 1' Firgrove alumni?! - good times.)

Anyway, after we finished this piece, the following Principal duplicated the mural on the inside of the gym!

Beautification is contagious!"
